**The Jungian Inspired Holocaust
Writings of Etty Hillesum:
To Write is to Act**

**Tuesday October 22
6:30 - 8:30PM**

Featuring Author: Dr. Barbara Morrill

**Hosted by: Dr. Helen Marlo,
Dean of the School of Psychology,
Notre Dame de Namur University**

Barbara Morrill examines Etty Hillesum's diary, revealing the inspiring story of this young Jewish woman from 1940s Amsterdam who underwent Jungian analysis.

Unlike Anne Frank, Hillesum is less known but offers profound insights into life during early WWII. Morrill highlights Hillesum's resilience and personal growth, using her journey to inspire us to face modern challenges with similar strength.
